CALL COMMITTEE UPDATE

The Call Committee would like to provide a brief update on our progress in calling an Associate Pastor. In these times of social distancing and restrictions, we have continued to meet as a Committee via Zoom and emails. Last month we submitted our finalized MSP to the Synod, which is now posted for potential candidates. In preparation for the interview process, we have developed questions to be asked of our candidates in both the first and second interview. We have also prepared as a team to be able to comfortably answer any questions that candidates may have for us.

As part of this process, we were able to have a mock interview via Zoom with a local Pastor that is not currently in the Call process so that we could practice interacting and answering questions on this format as well as provide them with a chance to practice being interviewed. They were able to provide us with some feedback to help us be best prepared as we enter into interviewing with our candidates.

The next step will be for the call committee to receive names of potential candidates by the Synod. This is planned to happen before the end of the month. We will receive Rostered Minister Profiles (RMP), documents about them to review and determine if we feel these candidates are a good fit for our church family. Any candidates that are selected, will then be scheduled for an interview. If candidates are selected after the first interview, we will move on to second interviews. If no candidates meet our needs, we will go back to the Synod for additional candidates until the right person is found and we will continue the search for the best person for our Associate Pastor.
