MISSION

To efficiently and effectively obtain resources and facilitate the distribution of food, and other necessities through a network of direct service providers to individuals and families of Racine County who are in need. In so doing, we will equalize the distribution of resources throughout the community and advocate on behalf of the community to reduce hunger.

Dear Church in Society Committee,

Thank you for your donation in support of our mission. The resources that you have provided will allow us to continue to meet the emergency food needs of our neighbors and friends here in Racine County that have fallen on hard times.

Your support helps us provide 1 Million pounds of food to our affiliate pantries, shelters and community meal programs in the emergency food network each year. With your help, our pantries were able to provide emergency food to 25,602 households last year. In total, all of our affiliates provided 798,467 meals last year, which translates into over 15,000 meals per week! Because of you, there are many families in our community that will not know hunger in the weeks and months ahead. Your commitment to the Racine County Food Bank is sincerely appreciated.

No goods or services were received in return for your February 18, 2021 contribution consisting of Donated Soup.

On behalf of our Board of Directors, staff, partner providers in the emergency food network and most importantly, the clients that they serve, please accept our heartfelt thanks.

Sincerely,

Dan Taivalkoski
