September 21, 2021

Your prayers are awesome! The Waja team and I completed the checking of Galatians and Ephesians on August 24. Tom and the Lala team had difficulties with internet and phone connections, but they completed all except the last few portions from Psalms and the prophets in the Old Testament last week. We are grateful that these teams have had good health and safe travel, in spite of heavy rains.

Coming up next? I hope to be checking Philippians and Colossians in late October. Tom will again be working with the Lala team soon to complete their OT portions.

Thank you for your prayers!
