QUESTIONS? CALL: Department of Public Works 262-636-9121

January 19, 2022

Tom and I both have had some health issues recently. Tom had a stress test, which resulted in him having an angiogram. Thankfully, the doctors decided a change in his medications would be enough for him at this time. Now I'm struggling with low hemoglobin resulting in fatigue and also aching joints and muscles. Tom has cheerfully been handling household chores and helping me cope. **Pray** that my medical team would find the cause and be able to treat this. We are grateful that our organization has allowed us to care for our health needs and work as we are able.

Thank you for your faithful prayer and financial support. We know that God is upholding us through your prayers. "Cast all your anxiety on him, for he cares for you." *1 Peter 5:7* ". . . do not fear, for I am with you, do not be afraid, for I am your God; I will strengthen you, I will help you, I will uphold you with my victorious right hand." *Isaiah 41:10*
