March 22, 2022

Tom will be doing remote consultant checking for the Lala team starting on March 28. The first week they hope to finish the Old Testament portions they had been working on, and the second week they will check the parallel passages in the Gospels. Parallel passages, you say? Those are the passages in the Gospels – especially Matthew, Mark, and Luke, that are exactly the same or very similar. Therefore, in doing translation, you need to harmonize those passages.

Please pray for good health, for safe travel for the team, for protection for their families while they are away (there are a lot of security problems in Nigeria at this time), and for good internet conditions. Pray for strength for Tom as he will begin work early in the morning.

Have a blessed Easter!
