We have a NEW opportunity for you: Join our Neighborhood Campers in Tending their Garden!

What better way to learn about plants than to grow a camp garden. With the help of our special guest, Sharon Molina, our campers put together this beautiful garden (see pictures on the next page). They are excited to care for it and watch as it grows throughout the next month. We are looking for congregation members to help us care for the garden on non-camp days (Friday-Sunday). If you are willing to help, please feel free to stop by on one of those days to weed, water, or harvest. Anything harvested can be brought home, brought to Church on Sunday and then given to camper's families, or donated to local food banks (there will be a vegetable donation box near the Church entrance)!

A big THANK YOU to Christy and John Cline for assembling the garden bed itself and transporting the soil.
